

UNIVERSITY OF
GEORGIA

SODEXO DIETETIC INTERNSHIP MAY HAVE A PRESELECT SPOT FOR YOU!

Guarantee a Dietetic Internship Spot BEFORE the Fall 2023 Match

Internship spots are available for qualified individuals with a verification statement from the University of Georgia. Candidates must have a master's degree or be enrolled in a graduate program.

Why Us?

✓ Ten Specialty Rotations to Choose From

Choose a specialty to gain more experience in an area of interest. Specialty options are critical care MNT, leadership, diabetes, senior living, oncology, management, pediatrics, weight management, wellness, and culinary.

✓ Job Opportunities After Graduation

Job opportunities with robust career pathing in a nutrition-focused organization upon graduation is a core benefit of our program. Internship directors will work with recruiters to find the right job for you.

✓ Sodexo Preceptors

Sodexo has qualified preceptors in 12 regions across the US. Clinical and foodservice management rotations are arranged by the internship team, so there is no need to find preceptors for the majority of your supervised practice.

✓ Part-Time Schedules Available

Sodexo Dietetic Internship provides flexibility by offering full-time and part-time options for an individualized internship experience.

Application deadline is August 18. Contact Erica.Charles@sodexo.com to obtain additional information on the preselect process.
