

Preselect Option

Please note that the preselect option is only open to applicants who are applying to the internship ([DI](#) or [MSDI options](#))

Applicants interested in early acceptance to the URI Graduate Program (GP)

can submit their GP application to DICAS prior to January 13th, which is the Early Acceptance Deadline for the URI Graduate Program. Please visit [URI's website](#) for more information.

Our program has 40 preselect slots per year reserved for applicants who are either:

- Enrolled in a University of Georgia graduate program
- Employed by Sodexo in any segment as a manager or a frontline employee, or
- Employed by a Sodexo client **and** are supervised by a Sodexo manager

There are no additional costs for participating in the preselect application process.

Follow the steps below if you would like to participate in the pre-selection process:

- Submit your application to DICAS along the application fee by
 - August 18th for the Fall Match, and
 - January 18th for the Spring Match.

Note: If you are planning to apply for the Spring Match, request your transcript early to avoid a delay in obtaining your transcript because of holiday related closures.

- Email Erica Charles, National Director at Erica.charles@sodexo.com with the following information prior to submitting the application to DICAS:
 - Name
 - Name and Address of Sodexo account where you are currently employed
 - Dates of employment with Sodexo or client
 - Name, email and phone number of Sodexo Manager

You will be informed of your acceptance status no later than February 1st (Spring Match) or September 1st (Fall Match). If successful, you do not have to participate in the D&D Digital computer matching. Preselect applicants who are not accepted have time to apply to other programs.
